**Labor Day Weekend Fri - Mon**  
**Leaders Guide/Registration Letter**

**ScubaJam Virginia** is a program designed to offer an exciting SCUBA diving experience to BSA (Individual or other youth groups) for certified boys and girls up to age 20. The event was created and is conducted by interested divers representing dive shops, scuba training operations, and various Organizations, BSA, GSA Troops & Venturing Crews.

**REGISTRATION:**

A pre-registration deposit of \$265.00 is requested so that we can plan for this exciting event and ensure your group is added to the registration waivers. We ask you and any attendees to submit an on-line waiver if you are thinking about coming to further assist us in obtaining planning information for this awesome time. Please make final payment by 18 August so that we can prepare packages and verify paperwork. This will assist us by making your check-in the day of the event go much faster and easier. You can still make changes as to attendees and increase your unit size on arrival and by filling out additional on-line waivers as needed.

Participants pay their fees directly to their group leader, who then completes the group manifest (<https://lakephoenixva.com/scubajam-registration/>) and emails these to us at [lakephoenixva@gmail.com](mailto:lakephoenixva@gmail.com)
