Calling All Certified SCUBA Divers!

ScubaJam invites certified youth scuba divers to dive into an unforgettable weekend of camping, adventure, and underwater fun with friends. Come with your group or sign up on your own and we'll match you with one!

Set at Lake Phoenix, ScubaJam is a well-supervised, scout-friendly experience featuring some of the best inland diving on the East Coast, plus exciting activities and challenges that build scuba skills, confidence, and leadership. Fun * Convenient * Affordable

Prizes & Scuba Scholarships!

Even better, past sponsors—including scuba manufacturers, training agencies, and regional dive centers—have awarded more than $9,000 in merchandise and promotional items, plus over $4,000 in scholarships to help youth take their scuba and leadership training to the next level.

Start Your Adventure Here!

Scuba diving is an exciting, rewarding lifelong adventure that inspires respect for nature and opens the door to an amazing world beneath the surface. It is a fantastic activity that does require training and maturity—but the journey is worth it.

Jump In with a Discover SCUBA Event! Ask your local dive center or favorite instructor about bringing this affordable introductory experience to your group. It is educational, exciting, and easy to do close to home.

Take the Next Step with SCUBA Certification! If you already know diving is for you, certification is the perfect next move. It takes time and commitment, and scouts may even earn the scuba merit badge. For those who pursue it, scuba opens up a whole new world of discovery—and your local dive center or instructor can help you get there.

Find a Youth-Focused Dive Center or Instructor.
Check the list on the reverse side or contact ScubaJam Virginia—they would love to help interested youth take the first step into scuba diving.

Dive Center Sponsors

The dive centers listed below are trusted leaders in their communities. Together with their training agencies, they are passionate about delivering quality instruction, outstanding service, and exciting opportunities for youth to explore and grow in the sport of scuba diving.
